Reed

Designed by Jehs+Laub

Reed by Jehs+Laub is a multi-use chair with a striking silhouette that proves how well opposites attract. Made of solid wood and plastic, this combination creates a beautiful marriage of natural materiality and clean design. With a beautiful shape, and an array of harmonious colors, Reed has the finishes to fit any interior.

Reed's artistry shines through in the solid wood frame work, utilizing traditional craftsmanship to create a new kind of chair. State-of-the-art plastic technology is used to produce ultra-thin seat and back pieces which are exceptionally strong and long-lasting.
