WARRANTY PROVISIONS: For products sold after January 1, 2001, subject to the limitations, exclusions and disclaimers set forth below, (which are expressly incorporated herein), Davis warrants its products to be free from defects in workmanship and materials for a period of five (5) years after the date of original shipment (the "Warranty Period"), provided the product is used in the manner and under the conditions for which it is designed.

EXPORT PACKING CHARGES: None Offered

RESTOCKING CHARGE: For other than warranty reasons, the restocking charge shall not exceed 25% of the net cost. Agencies must notify Davis within ten (10) working days after receipt of merchandise if a return authorization is to be given. Restocking will not be accepted if products are in users possession for more than twenty (20) working days. All products to be returned must be in cartons (original cartons if available) and shipped freight pre-paid.

CANCELLATION CHARGE: No cancellation charge prior to production. After production only actual cost incurred that cannot be recovered through resale of the merchandise in a reasonable length of time (6 months).

PRICE REDUCTIONS: The category of customer upon which this award is predicated will be Choice Dealers who receive a maximum discount of 55% from Davis Commercial Price list effective March 1, 2016. The Government receives a discount of 52.4% or 52% (inclusive of IFF). This price relationship will be maintained throughout the contract period. Further, for the purpose of the Price Reduction Clause, and change in the contractors discount arrangement applicable to Choice Dealers, which disturbs this relationship shall constitute a price reduction.

RETURNS: Returns should not be made without written authority from factory. Excess costs will be charged to ordering activity for unauthorized returns. No merchandise may be returned for credit without written approval.

PERFORMANCE TESTS: All conference tables offered in this contract meet applicable ANSI X 5.5-1998 test requirements. (Sections 5, 10, 11, 12, 13)

OVERSEAS SHIPMENTS: Products shipped outside of the continental US should be specified with special cartoning and/or crating for export. A 5% upcharge to net prices will be assessed. If it is possible to combine items into larger crates, this will be considered. Contact your Davis Customer Service Representative to verify quotes for exported products. The following describes special cartoning/crating: SEATING – all seating units are boxed but may require additional crating reinforcement.

FREIGHT GUARANTEED PROGRAM

Davis offers an optional guaranteed freight program. Delivery is via common carrier or Davis truck. Freight charges are precalculated and

prepaid by Davis, and added to the original invoice at time of shipment. This optional guaranteed freight rate program enables the purchaser to determine freight charges when ordering and provides the purchaser with one invoice for both freight and Davis products.

Freight charges are for normal delivery only and do not include inside delivery, installation, uncartoning or removal of cartons. A request for call prior to delivery is an additional \$25. Additional charges will be determined on a per shipment basis.

Merchandise is shipped F.O.B. High Point, NC, freight prepaid and allowed to one destination. Title of goods changes when merchandise leaves Davis' dock, and any subsequent freight damage and all freight claims are the responsibility of the purchaser or consignee to report to the carrier promptly upon receipt and to settle with the carrier.

Unless otherwise noted on your order, Davis will ship "Freight Guaranteed", and will select the most appropriate carrier and routing on all shipments. If the customer specifies a carrier on their order, freight will ship collect via that carrier.

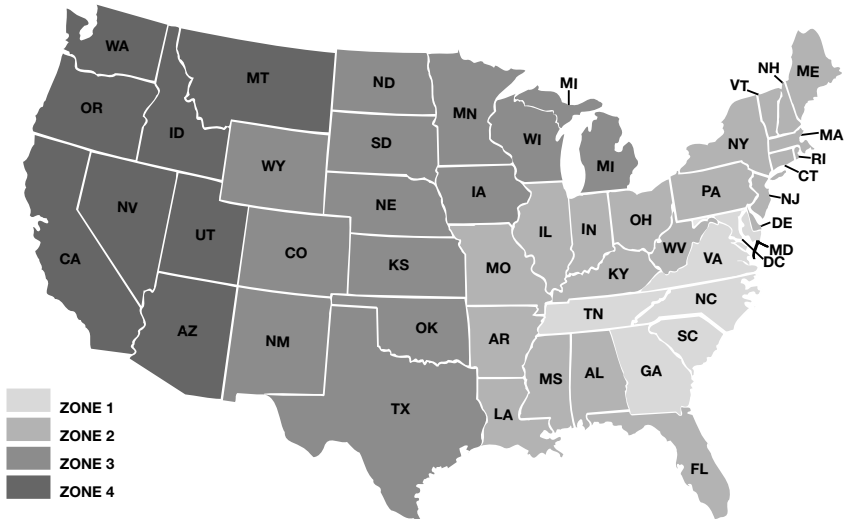

How to use the Freight Guaranteed Program:

The Continental United States has been divided into four territories. Using the Map at right, determine the territory of the product destination. Freight charges are calculated as a percentage of COL/COM net price based on the following scale:

- Zone 1 - 6%
- Zone 2 - 8%
- Zone 3 - 10%
- Zone 4 - 12%

Minimum charges will be applied to each zone as follows:

- Zone 1 - \$60
- Zone 2 - \$75
- Zone 3 - \$95
- Zone 4 - \$125

General Information

Customer's Own Material

COM/COL price includes application of customer's fabric (leather) which should be prepaid to factory address and clearly marked to indicate: 1) buyer's name, 2) buyer's purchase order number, 3) client, 4) furniture number of item to be covered, and 5) instructions for application, i.e. face, railroaded, reversed, etc. Furniture orders should include this same information as well as cutting instructions and a description of the fabric including pattern and color number in order to provide a cross reference and to reduce the margin of error. *In the absence of specific written instructions accompanying the order, fabrics will be cut, seamed and applied at our discretion and at the customer's risk.*

Yardage requirements shown in price list are based on using fabric which is plain and a full 54" wide. Fabrics of narrower widths and/or which involve matching repeats will require additional yardage. Under most of these circumstances, the following tables can be used as a guide. Collect shipments of COM fabrics will not be accepted. All orders and COM/COL materials should be sent directly to Davis Furniture Industries, Inc., 2401 South College Drive, High Point, NC 27260, TEL (336) 889-2009.

Fabric less than 54" wide –		54" Fabric with a print or stripe repeat –	
Fabric Width	Increase COM requirement by:	Repeat	Increase COM requirement by:
50"	8%	7" and under	11%
48"	13%	8" to 13"	18%
45"	20%	14" to 21"	21%
36"	50%	22" to 27"	24%
		28" and over	25%

FOR LARGE QUANTITIES – Davis will supply exact yardage requirements for large quantities, revisions and special match problems upon request. In the absence of specific written instructions accompanying the order, fabrics will be cut, seamed and applied at our discretion and at the customer's risk. Napped and some velvets are usually applied without luggage stitching. While we inspect fabrics for mill imperfections, some are difficult to recognize. We cannot be responsible for defects, color inaccuracies, dye lot variations, and other flaws. We suggest that our customers inspect fabrics before furnishing them. Under no circumstances will we assume responsibility for COM/COL shortages, flaws, or other such problems. While we make a concerted effort to control COM/COL materials, it is not our responsibility to police the receipt of these materials in order to meet delivery deadlines and we assume that customers are aware of any undue delay in the delivery of their COM/COL materials.

Fabric & Leather

Davis offers a variety of fabric collections such as Camira, CF Stinson, Designtex, Knoll Textiles, Maharam, Momentum, Ultrafabrics, and Helvetia Leather. Please refer to the Davis Fabric & Leather Grade List for all available offerings and grades. The Grade List may be obtained on Davis' web site in the DOWNLOAD section. Davis will not purchase COM fabrics or COL leathers.

Fire Resistance

All Davis seating conforms to California #117 Bulletin for fire resistance. Many products have been tested and pass California TB 133. Please contact factory for information.

Specials

Because products are manufactured upon receipt of order, it may be possible to accommodate product modifications. Specials that require alternative woods or new design specifications should be submitted to Customer Service for review. The requirements of the special must meet the manufacturing process of Davis.

Special Finishes

Special finishes are available. Please send a sample of the finish color desired and add a formulation charge of **\$250 net plus 5% net per item** upcharge. Seating has an upcharge of **5% net on COM/COL price**. Upcharge based on Davis' approval of sample submitted. Please allow two weeks for special finish sample to be submitted by Davis for approval.

Special Veneer Match

Table units shown separately but ordered together (except Carré) will not automatically be assumed that they are going to be used together, therefore; the veneer will not be matched. If separate tops are going to be used together you must submit a drawing of the configuration and specify veneer matching desired. There will be an appropriate upcharge according to the configuration and type of veneer specified.

If standard multiple top tables are going to be used in different configurations other than illustrated in the price list, an upcharge may be necessary for non-standard veneer direction. Contact factory and submit drawing for review.

Check List for Ordering Furniture

Many orders are received with incomplete or conflicting information, causing needless correspondence and unnecessary delay. Before submitting your order, please be sure it includes the following information.

- Quantity
- Item Number – refer to each product collection for complete item number sequence
- Finish Color – wood and metal
- Fabric pattern, color and application instructions – specify pattern direction and correct side
- Options – list with each specific product
- Any specials or revision to standard construction
- Drawing for all modular seating, table, or case good components
- Your purchase order number
- Shipping destination
- Shipping instructions; if any

Orders should be sent via e-mail, whenever possible, to expedite the entry process. Send to orders@davis-furniture.com. If this is not possible then fax orders to (336) 889-0031.
