## FEATURES

---

### **Base**

Hue cases and wardrobes come standard with 1" thick plinth bases with adjustable glides. Plinth bases will match the finish of the case. An optional 8" high four leg steel base is available with adjustable glide, on low board units with hinged doors only. Steel bases available in chromed or powder coated finishes.

---

### **Case**

Storage cases and wardrobes are constructed using a 1" thick composite core material for the tops, sides, doors, and bottoms, which are either overlaid with veneer or painted. All cases come standard with 1" thick shelves. See interior view drawing and optional shelf information for quantity.

---

### **Doors**

Doors are constructed from 1" thick composite core material available in either wood veneer or painted finish. Door finish to be specified at time of ordering.

---

### **Finished Back Panel**

Optional finished back panels are constructed from 1/2" thick composite core material available in either a wood veneer finish or painted finish. Finished back panels must be specified at time of ordering.

---

### **Interior**

Shelves come standard and are finished to match the outside of case. If additional shelves are required see individual case options section. Optional box drawers and hanging file frames are both offered for select cases. See individual case options section for maximum quantity of box drawers and hanging file frames allowed per unit. Box drawer fronts come standard painted .66 *Granite* which is a dark grey color. Soft close hardware is used for all hinged door hardware and drawer slides. Hanging file frames will file letter or legal front to back only.

---

### **Wall Mounted**

Optional wall mounted cases come complete with supplied hanging hardware. Available for all low board units only.

---

### **Wardrobe**

17 3/4" shallow wardrobes are designed to be wall mounted for stability.

**Hue-4319** - the coat rack version comes standard with a front to back hanging coat rack and 4 adjustable shelves. The top and bottom shelves are fixed shelves, needed for stability.

23 5/8" deep Wardrobes are designed to be freestanding.

**Hue-5339** - the coat rack version comes standard with a side to side hanging coat rack and 4 adjustable shelves. The top and bottom shelves are fixed shelves, needed for stability.
