PLC Barstool

Designed by PearsonLloyd

PLC Barstool maintains the signature style of the PLC family while broadening design horizons. PLC's simplicity can speak volumes, with understated modernity making each piece perfectly at ease in both classic and contemporary interiors. Oak finishes keep the look muted and natural, while a variety of painted finishes bring a vibrant splash of color. Upholstery options are available for additional comfort and design opportunities.

The PLC line blends sleek, contemporary design with solid oak construction. The resulting combination is a uniquely modern line of side chairs, tables, lounge chairs, and barstools.
