# Sketch Conference

Designed by Burkhard Vogtherr & Jonathan Prestwich

The thoughtfully sculpted silhouette of Sketch Conference mimics the clean aesthetic of the original Sketch chair from a new perspective - creating a unique and subtle harmony in desk, conference, and boardroom applications.

The clean lines and pure shape of Sketch Conference bring contemporary style to conference rooms and executive offices alike. Offered in mid back and high back styles, this elegant design also features several base options for ideal working versatility.

Sketch Conference represents the best of two worlds, with modern style and classic functionality.
